

## Medical Equipment Required

1. A medical bag in which to carry the equipment
2. Penlight or flashlight
3. Oto-ophthalmoscope
4. Stethoscope (will be given to student @ the White Coat Ceremony from the College of Medicine)
5. Sphygmomanometer
6. Centimeter ruler
7. Tongue blades
8. Tape measure (metric)
9. Reflex hammer
10. Visual acuity chart
11. Tuning fork(s) 512 and 256
12. Safety pins
13. Cotton

For the fall, first year students will only need the stethoscope and Sphygmomanometer. The remaining instruments will be required for the Physical Diagnosis course during the spring semester.
