Subject: [ISCB] Positions at the Department of Medical Statistics and Bioinformatics in Leiden

Two positions are available at the Department of Medical Statistics and Bioinformatics, Leiden University Medical Center, The Netherlands.
We are looking for an

* Assistant Professor (Biostatistician)

Specializing in statistical methods for modern high throughput biology (-omics), and a

* Postdoc researcher (Statistician/Bioinformatician)

In the research project "Developing clinical predictors based on high- dimensional genomics data".

More information: Jelle Goeman (J.J.Goeman@lumc.nl) and www.msbi.nl/Jobs
