

Discount and Free Medicine Program

You may qualify for discounted or free medicine.

You will need to fill out an application at McClennan Banks Pharmacy. The pharmacy is located in the back of the County Memorial Hospital. Please go to the pharmacy on the 1st floor there and ask for a financial application. If you are approved, you will be enrolled in the discount or free medicine program, depending on the medicine your health care provider has ordered.

The prescription must be from an MUSC provider.
