

**CURRICULUM VITAE**  
**CLAUDIO JAVIER SCHÖNHOLZ, M.D.**

**Office Address:** MUSC Interventional Radiology  
25 Courtenay Drive, MSC 226  
Charleston, SC 29425

**Phone:** (843) 876-5556

**Fax:** (843) 876-4976

**Email:** [schonhol@musc.edu](mailto:schonhol@musc.edu)

**Citizenship and/or Visa Information:**

Citizen of Argentina, permanent resident of the United States

**Education:**

University of Buenos Aires, Argentina, Medical Doctor degree, Honor Certificate, 1973-1980

***Residencies or Post Doctoral***

Radiology Residency, Ramos Mejia Hospital, Buenos Aires, Argentina, 1981-1984

Fellowship, Centre Cardiologique du Nord, Department of General and Vascular Radiology,  
Saint-Denis, Paris, France, 1984/1985

***Specialty/Board Certification***

National Academy of Medicine Board Certified in Imaging Diagnosis (Radiology), Certification  
Board of Medicine Professionals, August 1996

***Licensure***

South Carolina #AL26563, Louisiana L # 13898R

***Faculty Appointments***

Angiographer, Argentine School of Interventional Cardiologists  
1988

Associate Professor of Radiology, Louisiana State University

August 2001 to March 2002

Associate Professor of Neurosurgery, Louisiana State University  
March 2002 to December 2003

Visiting Associate Professor, Radiology, Medical University of SC  
January 2004 to December 2004

Associate Professor with Tenure Track, Radiology, Medical University of SC  
December 2004 to December 2006

Professor, Radiology, Medical University of South Carolina  
January 2007 to present

### ***Other Experience***

Faculty at the Radiology Department of the Clínica  
Sagrada Familia - Abraxas Medica S.A.  
Chief of Department of Cardiovascular Diagnostic  
and Interventional Radiology 1983 to 2001

Faculty of the CT Department of La Clínica Modelo  
De Lanus-OVDALAS Medica S.A. 1986 to 1997

Director of the Department of Cardiovascular Diagnostic  
& Interventional Radiology of Corporación Medica De General  
San Martín 1991 to 1997

Faculty of the Department of Radiology & CT of the Clínica  
Finochietto Serifos Medica S.A. 1993 to 1997

Director of the Department of Cardiovascular Diagnostic  
and Interventional Radiology of the Hospital Naval Pedro Mayo 1998 to 2001

Director of Vascular Image-Guided Interventions, Radiology  
Department, Louisiana State University Health Science Center,  
Shreveport, Louisiana 2001 to 2003

### **Membership in Professional/Scientific Societies:**

#### ***International Societies***

Argentine Medical Association

Argentine Society of Radiology  
 Interamerican College of Radiology  
 International Society for Endovascular Surgery

### **Editorial Positions**

Revista Argentina de Radiología	1992
Impact Endovasculaire Scientific, Director	1996
Técnicas Endovasculares, Spain, Chief Editor	1997
Endocardiovascular Multimedia Magazine	1997
Journal of Endovascular Therapy	2002
Intervencionismo	2002
Member, Editorial Board of the Endovascular Section of the Journal of Cardiovascular Surgery	2006
Member, Editorial Board, Técnicas Endovasculares (official journal of the Sociedad de Cirujanos Endovasculares de Latino América).	2008

**Extramural Grants/Research (current and past):**

1. Principal Investigator: Corvita Endovascular Stent-Graft for Traumatic Arterial lesions and obstructive disease. Corvita, Miami, Florida.
2. Principal Investigator: E-Trap Filter for carotid angioplasty and stenting under cerebral protection. Metamorphic Surgical Devices, Pittsburgh, PA
3. Principal Investigator: Parodi Antiembolism System for carotid angioplasty and stenting under cerebral protection. ArteriA Medical Science, San Francisco Science, San Francisco, California.
4. Principal Investigator: CAFÉ STUDY (Carotid angioplasty Free of Emboli) for carotid angioplasty and stenting under cerebral protection. Percusurge.
5. Principal Investigator: Extend Trial.Gore Thoracic Excluder Device for patient with acute traumatic lesions of the thoracic aorta.
6. Principal Investigator: Security Trial. Neuro Shield Cerebral Protection Device and the X.act carotid Stent System. Abbott Laboratories. Perclose.
7. Principal Investigator: Merci Trial. Mechanical treatment of stroke. Concentric Medical.
8. Principal Investigator (1% time): Evaluation of the CardioMEMS EndoSensor System APEX study acute Pressure Measurement to confirm Aneurysm Sac Exclusion). CardioMEMS, Inc. Award amount: \$25,145.
9. Co Investigator: Emboshield and Xact Post-approval Carotid Stent Trial using the Emboshield bare wire rapid exchange Embolic Protection system and the Xact Rapid Exchange Carotid stent system. Sponsor: Abbott. Dates of award: January 2006 to January 2008. Amount of award: \$39,375.
10. Principal Investigator: EMPIRE Trial: the embolic protection with reverse flow study of the Gore NPS in carotid stenting of patients at high risk for carotid endarterectomy. Sponsor: W.L.Gore. Dates of award: 6/13/06. Amount of award: \$87, 278.
11. Principal Investigator: Comparison of Transcranial Doppler monitoring data between high risk patients receiving a filter as embolic protection device versus the Gore Neuroprotection System. Sponsor: W.L.Gore.

12. Co-Investigator. SENTIS Stroke Trial (Safety and Efficacy of NeuroFlo Technology in Ischemic Stroke). Sponsored by CoAxia, Inc. Maple Grove, MN. 1% effort. Perform the procedures where the NeuroFlo catheter is used for the treatment of the patients screened and evaluated by Neurology Stroke Team. Amount of Award: \$132,090.
13. Principal Investigator: GORE EMBOLic Filter in CarotiD StENting for High Risk Surgical Subjects (GORE EMBOLDEN) Sponsor = WL Gore and Assoc., IRB approved 5/13/08, 12/18/08 – 06/30/10. \$87,062.
14. Principal Investigator: Comparison of Transcranial Doppler Monitoring Data between High Risk Patients Receiving a Filter as Embolic Protection Device versus the Gore Neuro Protection System. Sponsor = WL Gore and Assoc.; IRB approved 6/19/08, 08/06/08 – 12/31/09, \$30,000.
15. Principal Investigator: Retrospective study on Type B dissection of the aorta. Sponsor = Radiology; IRB approved 10/9/07.
16. Principal Investigator: The Embolic Protection with Reverse Flow (EMPIRE) Study of the Gore Neuro Protection System in Carotid Stenting at High Risk for Carotid Endarterectomy Sponsor = WL Gore and Assoc.; IRB approved 5/13/08. \$12,778.
17. Co-Principal Investigator: Evaluation of the GORE TAG Thoracic Endoprosthesis - 45 mm for the Primary Treatment of Aneurysms of the Descending Thoracic Aorta. Sponsor = WL Gore and Assoc. IRB approved 8/26/08.
18. Sub-Investigator: Gore Viabahn Endoprosthesis versus Percutaneous Transluminal Angioplasty (PTA) to Revise Arteriovenous Grafts at the Venous Anastomosis in Hemodialysis Patients. Sponsor = WL Gore and Assoc. IRB approved 6/10/08. 05/14/08 – 06/30/11. \$48,250.
19. Co- Principal Investigator: Carotid Stenting Boston Scientific Surveillance Program (CABANA). Sponsor = Boston Scientific; IRB approved 2/24/09, 02/12/09 – 02/28/11. \$16,000.
20. (OSPREY: Occlusive/Stenotic Peripheral Artery Revascularization Study): A Multi-Center Clinical Trial of the Misago Self Expanding Stent System for Superficial Femoral Artery (HR#19878) Sponsor: Terumo, Sub-Investigator, Not Started, \$208,781
21. Retrospective study on Type B dissection of the aorta (HR#17673) Investigator Initiated, Principal Investigator

### **Awards/Honors, Memberships in Honorary Societies:**

1. University of Buenos Aires, Honor Certificate, 1980.
2. Argentine Society of Radiology – Fellowship AGFA GEVAERT, Ultrasound and Angiographic Correlation in Renal Pathology, 1983.
3. Society of Neurosurgery of the Province of Buenos Aires Award. Best Poster Presentation: “Arteriovenous Dural Malformations: Diagnosis, Classification, Treatment and Results”. December 1990.
4. Society of Neurosurgery of the Province of Buenos Aires Award. Best Poster Presentation: “Embolization of Aneurysms with Platinum Coils. Long Term Results.” December 1991.
5. Argentine Society of Radiology. Lanari Award. “Radiology in Gastrointestinal Inflammatory Diseases”, presented at the Argentine Medical Association, 1983.
6. Congreso de Federación de Radiología. Award to the best Abstract Presentation “Cerebral Intraoperative Ultrasound”. Cordoba, Argentina, 1989.
7. Society of Neurology, Psychiatry and Neurosurgery Award. Best Poster Presentation “International Study about the Treatment of Cerebral Arteriovenous Malformations using Transarterial Embolization and Radiosurgery”. October 1994.
8. Argentine Surgical Society – Best Poster Presentation. “Eduardo Shieppatti” Award. 1996.
9. Best Doctors in America for 2007-2008.
10. Member at Large of the Society of Endovascular Specialists (ISES) Board of Directors.
11. Pioneer in Performance Award presented by Gore for initiating broad novel concepts in the interventional treatment of the vascular anatomy. Presented at the International Congress XXIII of Endovascular Interventions. Scottsdale, Arizona. February 10, 2009.
12. Best Doctors in America for 2009-2010.
13. The International Society of Endovascular Specialists Milestone Award, presented March 2, 2010.
14. Best Doctors in America for 2010-2011.

## **Academic Activities:**

### ***Committees***

MUH Peer Review Committee MUSC Hospital, Charleston, South Carolina	2005 - present
Scientific Committee for the Journal of Polish Surgery (Chirurgia Polska)	2006 - present
Radiology Promotions Committee MUSC Hospital, Charleston, South Carolina	2007 - present
Scientific Committee for the Journal of Cardiothoracic Surgery	2007 - present

### ***Coordinator***

Co-Coordinator, Radiology/Pathology Conference.  
MUSC Department of Radiology, Charleston, South Carolina. 2005-present

## **Major Teaching Responsibilities (Current):**

### ***Undergraduate Medical Education***

1. Visiting students in IR, one on one teaching
2. Mentor for the RSNA Medical Student Departmental Program Grant MUSC, Department of Radiology, Student: Josh Hubbard, Chairman: Philip Costello  
Scientific Advisor: Claudio Schönholz, "The effect of Transjugular Intrahepatic Portosystemic shunts on serum serotonin levels, and the role of serotonin as a marker of post-procedure complications". 2005-2006

### ***Graduate Medical Education***

1. Radiology Resident conferences monthly
2. Radiology/Pathology conferences monthly

## **Major Clinical Interests and Responsibilities:**

Focus on vascular disease including endovascular treatment of aneurysms, trauma, obstructive disease. Cerebral protection devices for carotid stenting. Major clinical responsibilities include performing interventional diagnostic and therapeutic image guided procedures.

## **Lectures and Presentations:**

### *Invited lectures and presentations*

1. "Retroperitoneal lympho-angioma Cyst". Primeras Jornadas Entrerrianas de Diagnostico por Imágenes. Paraná, Argentina. August 26-28, 1982.
2. "Diagnosis Methodology Used in a Patient with Advanced State of Cancer". "Clinical Surgical Aspects of the Advanced State of Cancer". University of Buenos Aires, School of Medicine Buenos Aires, Argentina. June 6-10, 1983.
3. "Translumbar Aortography and Normal and Pathological Peripheral Arteriography. Introduction to the Seldinger Method". Encuentro de Actualización Diagnostica. Bolivar, Argentina. June 30, 1983.
4. "Prolonged Fever Syndrome". Jornadas Científicas del Hospital Ramos Mejía. Round Table. Buenos Aires, Argentina. August 10, 1983.
5. "Imaging Diagnosis for gall bladder and biliary ducts pathology". Curso de Diagnostico por Imágenes. University of Buenos Aires, School of Medicine. Buenos Aires, Argentina. August 1983.
6. "Renal Angiography". Scientific Meetings of the Hospital Arazo Alfaro. Buenos Aires, Argentina. September 7, 1984.
7. "Advances in the Study and Treatment of Upper Digestive Hemorrhage". Annual Course of Surgery of the II Chair of Surgery of the School of Medicine. Round Table. Buenos Aires, Argentina. October 8, 1985.
8. "Angiographie Numerique de la Aorte Abdominale". Reunion Cientifique sur Angiographie Numerisse. Service de Radiologie Hopital Begin. Profesor N. Metges. Paris, France. February 28, 1985.

9. "Cerebral Arteriovenous Malformations. Study and Treatment by means of Catheterization using a Calibrated Balloon". XXVII Annual Congress of the Argentine Association of Neurosurgery. Paper Presentation. Corrientes, Argentina. August 1985.
10. "Pulmonary Thromboembolism Angiography". Cátedra de Clínica Medica Dr. Bonifacio Sanchez. Hospital Durand, Buenos Aires, Argentina. May, 1986.
11. "Pulmonary Digital Angiography". 2nd International Meetings for Actualization in Imaging Diagnosis. Villa Carlos Paz, Cordoba-Argentina. May 1986.
12. Therapeutic Neuroradiology: "Different Techniques for the Treatment of Cerebral Arteriovenous Malformations". Paper Presentation. XXVIII Annual Congress of the Argentine Association of Neurosurgery. Santa Fe, Argentina. August 1986.
13. "Treatment of Cavernous Carotid Fistulas". Paper Presentation. XXVIII Annual Congress of the Argentine Association of Neurosurgery. Santa Fe, Argentina. August 1986.
14. "Cerebral Arteriovenous Malformation: Superselective Embolization Previous to Craniotomy". Paper Presentation. First Brazilian Congress for the Use of Laser in Surgery, Medicine and Biology. Rio de Janeiro, Brazil. September 1986.
15. "Digital Angiography of the Lung". Lecture and Panelist. Mercedes Medical Center. Internal Medicine: Progress in Diagnosis and Therapy. Course for Graduates. Buenos Aires, Argentina. September 1986.
16. "Ultrasound-Angiography-Nuclear Medicine- Correlation in Renal Disease". Lecture. First Symposium of Urology and Nephrology of the Patagonia. Bariloche, Argentina. November 1986.
17. "Endovascular Treatment of the Systemic Diseases". Guest Speaker on Therapeutic Actualization. XVIII National Congress of Internal Medicine. Medicine Society of Montevideo. Montevideo, Uruguay. November 1986.
18. "Interventional Radiology". Jornada Entrerriana de Radiodiagnostico. Colegio Medico de Gualeguaychu. Gualeguaychu, Entre Rios-Argentina. March 1987.
19. "Endovascular Treatment of non Surgical Aneurysms of the Intracranial Carotid Artery". Paper Presentation. XXIX Annual National Congress of the Argentine Association of Neurosurgery. Tucuman, Argentina. August 1987.
20. "Interventional Neuroradiology". VIII Argentine Congress of Radiology, Imaging Diagnosis and Radiation Therapy. Argentine Federation of Radiology. Main Conference. Mendoza, Argentina. September 1987.

21. "Normal Renal Angiography". Course for Specialists in Nephrology. Chair of Radiology of the Hospital de Clinicas of the University of Buenos Aires. Medical School of the Province of Buenos Aires. Buenos Aires, Argentina. November 1987.
22. "Techniques and Results of the Endovascular Treatment In 45 Cases of Encephalic Arteriovenous Malformations". XXVIII Argentine Congress of Neurology. Paper Presentation. Mendoza, Argentina. October 1988.
23. "Endovascular Treatment of Large Intracranial Aneurysms", Paper Presentation. III Course of Actualization in Vascular and Interventional Radiology. Sao Paulo, Brazil. October 1988.
24. "Endovascular Treatment of Hemoptysis", Paper Presentation. III Course of Actualization in Vascular and Interventional Radiology. Sao Paulo, Brazil. October 1988.
25. "Combination of Transcatheter Embolization and Radiosurgery for the Treatment of Cerebral Arteriovenous Malformations". Paper Presentation. III Course of Actualization in Vascular and Interventional Radiology. Sao Paulo, Brazil. October 1988.
26. "Interventional Neuroradiology: Techniques and Results of the Endovascular Treatment". Paper Presentation. XXIII Latin-American Congress of Neurosurgery. Acapulco, Mexico. November 1988.
27. "Interventional Neuroradiology: Combination of Superselective Embolization and Stereotaxic Radiosurgery For The Treatment of Encephalic Arteriovenous Malformations". Paper Presentation. XXIII Latin-American Congress of Neurosurgery. Acapulco, Mexico. November 1988.
28. "Angiographic Follow-up of Cavernous Carotid Fistulas treated with Detachable Latex Micro-balloons". Paper Presentation. II Symposium of Neuroradiology of the Argentine Academy of Neurosurgery. Buenos Aires, Argentina. November 1988.
29. "Endovascular Treatment of Large Intracranial Aneurysms Using Platinum Micro Coils". Paper Presentation. First Congress of the Ibero-Latin-American Society of Diagnostic and Therapeutic Neuroradiology. La Coruña, Spain. June 1989.
30. "Endovascular Treatment of Post-Traumatic Cavernous Carotid Fistulas". Video Presentation. First Congress of the Ibero-Latin-American Society of Diagnostic and Therapeutic Neuroradiology. La Coruña, Spain. June 1989.
31. "Endovascular treatment of Giant Intracranial Aneurysms with Platinum Microcoils". 17th International Congress of Radiology. Paris, July 1989.

32. "Diagnosis and Treatment of Dural Arteriovenous Malformations". Poster Presentation. First National Meetings of the Argentine Association of Neurosurgery. Mendoza, Argentina. August 1989.
33. "Long Term Angiographic Follow-Up of Cavernous Carotid Fistulas Treated Endovascularly with Detachable Latex Micro-balloons". Paper Presentation. Second Congress of the Ibero-Latin-American Society of Diagnostic and Therapeutic Neuroradiology. Cascais, Portugal. June 1990.
34. "Treatment of Intracavernous Giant Aneurysms with Micro-Coils". Paper Presentation. Second Congress of the Ibero-Latin-American Society of Diagnostic and Therapeutic Neuroradiology. Cascais, Portugal. June 1990.
35. "Cerebral Arteriovenous Malformations: Experience in 56 cases". Paper Presentation. XXXI Argentine Congress of Neurosurgery. Cordoba, Argentina. August 1990.
36. "Transluminal Percutaneous Angioplasty of Stenosis in the Braquiocephalic Arterial Trunks". Paper Presentation. XXXI Argentine Congress of Neurosurgery. Cordoba, Argentina. August 1990.
37. "Endovascular Treatment of the Intracranial Aneurysms". Poster Presentations. XXXI Argentine Congress of Neurosurgery. Cordoba, Argentina. August 1990.
38. "The Popliteal Percutaneous Route: An Alternative Endovascular Approach". Paper Presentation. X Argentine Congress of Radiology, Imaging Diagnosis and Radiation Therapy. Buenos Aires, Argentina. October 1990.
39. "Percutaneous Gastrostomy and Gastroenterostomy for Enteral Alimentation". Paper Presentation. X Argentine Congress of Radiology, Imaging Diagnosis and Radiation Therapy. Buenos Aires, Argentina. October 1990.
40. "Endovascular Treatment of Intracranial Aneurysms with Detachable Balloons". Paper Presentation. IV Course of Actualization in Vascular and Interventional Radiology. Sao Paulo, Brazil. October 1990.
41. "Endovascular Treatment of Intracranial Aneurysms with Platinum Coils" Paper Presentation. IV Course of Actualization in Vascular and Interventional Radiology. Sao Paulo, Brazil. October 1990.
42. "Embolization and Radiosurgery in the Treatment of Intracranial A-V Malformations". Paper Presentation. IV Course of Actualization in Vascular and Interventional Radiology. Sao Paulo, Brazil. October 1990.

43. "The Retrograde Popliteal Percutaneous Route: An Alternative Endovascular Approach" Paper Presentation. IV Course of Actualization in Vascular and Interventional Radiology. Sao Paulo, Brazil. October 1990.
44. "Gamma Unit Radiosurgery in the Treatment of Intracranial A-V Malformations". Paper Presentation. IV Course of Actualization in Vascular and Interventional Radiology. Sao Paulo, Brazil. October 1990.
45. "Interventional Neuroradiology: Endovascular Treatment of Cerebral Aneurysms with Micro Platinum Coils". Paper Presentation. V Latin-American Congress of Ultrasonography in Medicine and Biology. Seminar of the Argentine School of Radiology. Sao Paulo, Brazil. April 1991.
46. "The Retrograde Popliteal Percutaneous Route: An Alternative Endovascular Approach". Paper Presentation. V Latin-American Congress of Ultrasonography in Medicine and Biology. Seminar of the Argentine School of Radiology. Sao Paulo, Brazil. April 1991.
47. "Therapeutic Neuroangiography: Embolization of Aneurysms by means of Endovascular Occlusion with Micro-Coils". Poster Presentation. Seventh Week of Seminars about the Nervous System.(SEMCOSIM VII). Mar del Plata, Argentina. April 1991.
48. "Combination of Embolization and Radiosurgery for the Treatment of Cerebral Arteriovenous Malformations". Poster Presentation. Seventh Week of Seminars about the Nervous System.(SEMCOSIM VII). Mar del Plata, Argentina. April 1991.
49. "Vertebral Arteriovenous Fistulas during Childhood. Diagnosis and Endovascular Treatment" Paper Presentation. II National Congress of the Argentine Association of Neurosurgery. Buenos Aires, Argentina. August 1991.
50. "Preliminary Results of Embolization with Platinum Micro Coils". Paper Presentation. II National Congress of the Argentine Association of Neurosurgery. Buenos Aires, Argentina. August 1991.
51. "Encephalic Arteriovenous Malformations: Analysis and Results of the Combination of the Endovascular and the Gamma Unit Radiosurgery Treatment". III Congress of the Ibero-american Society of Diagnostic and Therapeutic Neuroradiology. Guadalajara, Mexico. September 1991.
52. "Transarterial Platinum Coil Embolization of Aneurysms". Paper Presentation. I Congress of the World Federation for Interventional and Therapeutic Neuroradiology. Zurich, Switzerland. October 1991.

53. "Treatment of Brain Arteriovenous Malformations with Combined Embolization and Gamma Knife Radiosurgery". Paper Presentation. I Congress of the World Federation for Interventional and Therapeutic Neuroradiology. Zurich, Switzerland. October 1991.
54. "Live Demonstration: Stent-Graft Implantation for the Treatment of an Abdominal Aortic Aneurysm". Invited Professor. II International Course of Peripheral Vascular Intervention. Lille, France. October 1991.
55. "Advances in the Diagnostic and Therapeutic Angiography". Lecture. Argentine Society for Urgency and Emergency Pathology. XII Argentine Congress for Urgency and Emergency Pathology. Buenos Aires, Argentina. November 1991.
56. "Transluminal Treatment of Aortic Aneurysms: Experimental Study And First Clinical Cases". Paper Presentation. First International Symposium on Diseases of the Aorta. Tokyo, Japan. February 1992.
57. "Endoluminal Treatment of Abdominal Aorti Aneurysms". VII Congresso Nazionale della Societa di Chirurgia del Mediterraneo Latino. Verona, Italy. June 1992.
58. "Dural Arteriovenous Malformations of the Cavernous Sinus: Diagnosis and Treatment". Poster Presentation. Argentine Society of Ophthalmology. Annual Course for Graduates Improvement. Buenos Aires, Argentina. July 1992.
59. "Results of the Endovascular Treatment of Intracranial Aneurysms". Paper Presentation. XXXI Argentine Congress of Neurology. Rosario, Argentina. October 1992.
60. "Carotid Cavernous Fistulas Due to Dural Arteriovenous Malformations". Paper Presentation. XXXI Argentine Congress of Neurology. Rosario, Argentina. October 1992.
61. "Endovascular Treatment of Abdominal Aortic Aneurysms". XII Argentine Congress of Radiology, Imaging Diagnosis and Radiation Therapy. Buenos Aires, Argentina. October 1992.
62. "Carotid Angioplasty". XII Argentine Congress of Radiology, Imaging Diagnosis and Radiation Therapy. Buenos Aires, Argentina. October 1992.
63. "Stent Graft Implantation in The Treatment of an Abdominal Aortic Aneurysm". Live Case Demonstration. Invited Profesor. III International Course of Peripheral Vascular Intervention. Nancy , France. October 1992.
64. "Cooperative Study of Embolization Results and Radiosurgery in Cerebral Arteriovenous Malformations". Paper Presentation. XXXIII Annual Neurosurgical Symposium of the Ramon Y Cajal Hospital. Madrid, Spain. November 1992.

65. "First Stent-Graft implantation for the treatment of a patient with abdominal aortic aneurysm in US". Invited Professor. Montefiore Medical Center, Albert Einstein College of Medicine. December 1992.
66. "Endovascular Approach to Lower Limb Vascular Pathology by Superselective Catheterization". Paper Presentation. International Congress VI: Tomorrow's Technology Today Endovascular Therapies in Vascular Disease. Arizona, USA. January 1993.
67. "Transfemoral Intraluminal By-Pass Grafting of Abdominal Aortic Aneurysms: Development and Clinical Experience". Lecture. International Endovascular Symposium '93. Sydney, Australia. 1993.
68. "Stent Graft Implantation in the Treatment of Abdominal Aortic Aneurysms". Live Case Demonstration. International Congress VII on Endovascular Interventions. Arizona Heart Institute. Invited Professor. Scottsdale, Phoenix, Arizona. February 1994.
69. "Percutaneous Prosthesis". Round Table. 4th International Course of Vascular and Interventional Radiology as a Therapeutical Alternative: Vascular Interventional Radiology, 1994. Canary Islands. February 1994.
70. "Stent Graft Implantation in the Treatment of an Abdominal Aortic Aneurysm". Live Case Demonstration. Invited Professor. 4th International Course of Vascular and Interventional Radiology as a Therapeutical Alternative: Vascular Interventional Radiology, 1994. Canary Islands. February 1994.
71. "Live Case Demonstration of two Stent Graft Implantations in the Treatment of Abdominal Aortic Aneurysms". Invited Professor. Endovascular Stent Graft Technique. Verona, Italy. April 1994.
72. "Stent Graft Implantations in the Treatment of Abdominal Aortic Aneurysms" Live Case Demonstration at the Ferrara University Hospital. Invited Professor. Endovascular Stent Graft Technique. Ferrara, Italy. April 1994.
73. "Stent Graft Implantations in the Treatment of Abdominal Aortic Aneurysms" Live Case Demonstration at the Ravenna University Hospital. Invited Professor. Endovascular Stent Graft Technique. Ravenna, Italy. April 1994.
74. "Stent Graft Implantations in the Treatment of Abdominal Aortic Aneurysms", "Stent Graft Implantations in the Treatment of an Iliac Aneurysm". Live Case Demonstrations at the Milano University Hospital. Invited Professor. Endovascular Stent Graft Technique. Milano, Italy. April 1994.
75. "Endoprosthesis of Abdominal Aneurysms". Paper Presentation. Congresso Nazionale SIRM. Milano, Italy. May 1994.

76. "Endovascular Treatment of Aortic Abdominal Aneurysms, Arteriovenous Fistulas and Pseudo-aneurysms". Lecture. 2<sup>nd</sup> Annual Interamerican Symposium. Contemporary Approaches to Intervention in Cardiac and Vascular Diseases. Miami Vascular Institute, Coral Gables, Florida, June 12/15, 1994.
77. "Endovascular Treatment of Intracranial Aneurysms Using the Micro Coils Technique". Lecture. 2<sup>nd</sup> Annual Interamerican Symposium. Contemporary Approaches to Intervention in Cardiac and Vascular Diseases. Miami Vascular Institute, Coral Gables, Florida, June 12/15, 1994.
78. "Endoluminal Vascular Procedures". Lecture. Course of Actualization for Post-graduates in General Surgery of the Hospital Nacional Prof. A. Posadas. University of Buenos Aires, School of Medicine. August 1994.
79. "Endochirurgie des Aneurysmes Aortiques". Lecture. IV Journees Cardiovasculaires de l'Hopital Saint-Joseph. Marseille, France. September 1994.
80. "Stent Graft Implantations In The Treatment Of an Abdominal Aortic Aneurysm". Live Case Demonstration. IV Journees Cardiovasculaires de l'Hopital Saint-Joseph. Marseille, France. September 1994.
81. "Vascular Approaches in Dialysis: Diagnosis and Treatment". Presentation. XVII Inter-American Congress of Radiology. Buenos Aires, Argentina. September 1994.
82. "Stent Graft Implantation in the Treatment of Traumatic Arterial Lesions". Paper Presentation. XVII Inter-American Congress of Radiology. Buenos Aires, Argentina. September 1994.
83. "Percutaneous Transluminal Angioplasty of the Supra-Aortic Vessels". Paper Presentation. XVII Inter-American Congress of Radiology. Buenos Aires, Argentina. September 1994.
84. "Endovascular Treatment of Intracranial Aneurysms Using Platinum Micro Coils". Paper Presentation. XVII Inter-American Congress of Radiology. Buenos Aires, Argentina. September 1994.
85. "International Cooperative Study of Cerebral Arteriovenous Malformations by Means of Embolization and Radiosurgery: Part One". Paper Presentation. XVII Inter-American Congress of Radiology. Buenos Aires, Argentina. September 1994.
86. "International Cooperative Study of Cerebral Arteriovenous Malformations by Means of Embolization and Radiosurgery: Part Two". Paper Presentation. XVII Inter-American Congress of Radiology. Buenos Aires, Argentina. September 1994.

87. "International Cooperative Study of Cerebral Arteriovenous Malformations Trans-Arterial Embolization and Radiosurgery: Part One". Paper Presentation. XXXIII Argentine Congress of Neurology. Mar Del Plata, Argentina. October 1994.
88. "International Cooperative Study of Cerebral Arteriovenous Malformations Trans-Arterial Embolization and Radiosurgery: Part Two". Paper Presentation. XXXIII Argentine Congress of Neurology. Mar Del Plata, Argentina. October 1994.
89. "Endovascular Treatment of Intracranial Aneurysms Using Platinum Micro-Coils: Results of the Last 50 Cases". Paper Presentation. 49th Chilean Congress of Neurology, Psychiatry and Neurosurgery. Viña Del Mar, Chile. October 1994.
90. "Endovascular Treatment of Abdominal Aortic Aneurysms". Round Table. 5th International Course on Peripheral Vascular Intervention. Nancy, France. October 1994.
91. "Implantation of an Aorto-Iliac Prosthesis". Live Case Demonstration. 5th International Course on Peripheral Vascular Intervention. Nancy, France. October 1994.
92. "Two Implantations of Aorto-Aortic Prosthesis in the Treatment of AAA". Live Case Demonstration. Endovascular Stent-Graft Technique. University Hospital of Bologna. Vascular Surgery Department, Prof. Dadatto. Invited Professor. Bologna, Italy. October 1994.
93. "Two Implantations of Aorto-Aortic Prosthesis in the Treatment of AAA". Live Case Demonstration. Endovascular Stent-Graft Technique. University Hospital of Modena. Vascular Surgery Department, Professor Coppi. Invited Professor. Modena, Italy. October 1994.
94. "Two Implantations of Aorto-Aortic Prosthesis in the Treatment of AAA". Live Case Demonstration. Endovascular Stent-Graft Technique. University Hospital of Verona. Vascular Surgery Department, Prof. Vecchioni. Invited Professor. Verona, Italy. October 1994.
