

# CURRICULUM VITAE

John Bayne Selby, MD

**Office Address:** MUSC - 169 Ashley Avenue, MSC 322, Charleston, SC 29425

**Phone:** (843) 792-4637      **Fax:** (843) 792-5067

**Email:** [selbyjr@musc.edu](mailto:selbyjr@musc.edu)

**Citizenship and/or Visa Information:** USA

## Education:

<u>Institution/Location</u>	<u>Years</u>	<u>Degree/Date</u>	<u>Field of Study</u>
Georgia Inst. of Tech.	1971-74	B.S./1974	Nuclear Eng.
Georgia Inst. of Tech	1974-75	M.S./1975	Nuclear Eng.
MUSC	1979-83	M.D./1983	Medicine

## PROFESSIONAL INFORMATION

### Internship:

Swedish Hospital – Seattle, Washington 1983

### Residencies or Post Doctoral:

Department of Radiology – 1984-87  
University of Washington, Seattle, Washington

### Fellowship:

Angiography and Interventional Radiology 1987-88  
Department of Radiology  
University of Virginia, Charlottesville, VA

### Specialty/Board Certification:

Certificate of Added Qualification – Interventional Radiology 1995  
American Board of Radiology 1987, renewed 2005  
National Board of Medical Examiners 1984

**Licensure:**      *SC Certification #284025*      1984  
                          DEA #BS2020054      1985  
                          SC DHEC #22N33N45      1997  
                          Virginia #0116001514 (inactive)      1987  
                          Washington State #0022020 (inactive)      1984

### Military Service:

Captain, Inactive Reserves 1983-1989  
U.S. Army Reserves 1976-1983  
U.S. Army Signal Corps (Ft. Gordon, Georgia/Active Duty) 1975-1976

### Faculty Appointments:

<u>Years</u>	<u>Rank</u>	<u>Institution</u>	<u>Department</u>
1988-92	Assistant Professor	University of Virginia	Radiology
1992	Associate Professor	University of Virginia	Radiology
1992-97	Clin. Assis. Professor	University of Washington	Radiology
1992-97	Director-Vas/Int Rad.	Radiology Associates, Everett, Washington	
1997-present	Professor	MUSC	Radiology

### Administrative Appointments:

<u>Years</u>	<u>Position</u>	<u>Institution</u>	<u>Department</u>
2001-2004	Interim Chairman	MUSC	Radiology
1999-present	Medical Director MUSC Clinical Enterprise Web Site	MUSC	Radiology
1997-present	Professor of Radiology Co-Director, Division of Interventional Radiology	MUSC	Radiology
1999-present	Web Site Director	MUSC	Radiology
1992-1997	Director, Vascular/Int. Radiology	Radiology Associates /Everett, WA	
1992-1997	Clinical Assistant Professor	University of WA	Radiology
1992	Associate Professor Angiography and Interventional Radiology	UVA	Radiology
1988-1992	Assistant Professor Angiography and Interventional Radiology	UVA	Radiology

### Hospital Appointments/Privileges:

<u>Years</u>	<u>Active/Inactive</u>	<u>Institution</u>
1997-present	Active Member, Medical Staff	Medical University of SC Hospital
1992-1997	Active Member, Medical Staff	Providence General Medical Center
	Active Member, Medical Staff	Valley General Hospital
1987-1992	Active Member, Medical Staff	University of Virginia Hospital

### Other Experience:

1977-1979	Head Atmospheric Releases Subsection Environmental Radiological Assessment /Tennessee Valley Authority Muscle Shoals, Alabama
1976 – 77	Staff Health Physicist Environmental Radiological Assessment Tennessee Valley Authority Muscle Shoals, Alabama
1974 - 75	Atomic Energy Commission Fellowship Georgia Institute of Technology Atlanta, Georgia

## **Major Health Physics Projects:**

Member of Atomic Industrial Forum Working Group on Technical Specifications for Routine Radioactive Effluent and Nuclear Plants. 1978-1979

Member of Committee on Environmental Monitoring Atomic Industrial Forum. 1977-1979

Prepared Environmental Dose Sections for Environmental Statements for Sequoyah, Bellefonte, Hartsville, Phipps Bend, and Yellow Creek Nuclear Plants.

Prepared Testimony for Federal Hearing on Hartsville Nuclear Plant Proposed Routine Releases of Radioactivity.

Prepared Semi-Annual Operating Report for Browns Ferry Nuclear Plant Routine Releases of Radioactivity to the Environment.

## **MEMBERSHIP IN PROFESSIONAL/SCIENTIFIC SOCIETIES**

### *National Societies*

Radiologic Society of North America (RSNA). Member of Cardiac Subcommittee – appointed November 2004 for a three-year term. Presiding Officer at 91<sup>st</sup> Scientific Assembly & Annual Meeting, 2005.

Member, Society of Interventional Radiology (SIR). 2005-2006 on HI-IQ Task Force. 2005-2006, Appropriateness Criteria committee for Cardiac CT and Cardiac MR.

Chairman, Electronic Database Committee

Member-SCVIR Task Force (Five Year Strategic Plan)

Special Liaison Annual Committee Mtg.

Member of Inter-Society Affairs Committee

Member, Electronic Database Committee

Member, Task Force to define complications and success

American Roentgen Ray Society (ARRS)

Member, American College of Radiology (ACR). 2005-2006 on Appropriateness Criteria Panel on Interventional Radiology.

Membership Chair and Fellowship Chair of SC Chapter

South Carolina Medical Association (SCMA)

Society of Minimally Invasive Therapies (SMIT)

Eastern Radiological Society (ERS)

Society of Chairman of Academic Radiology Departments (SCARD), Emeritus

Association of University Radiologists (AUR)

South Carolina Radiological Society (SC Chapter of the ACR), Vice President, appointed March 2005 for a two year term.

Chair of the Membership and Fellowship Committees, SC Chapter of the ACR

Society of Cardiovascular Computed Tomography

***Local Societies***

Charleston County Medical Society

South Carolina Radiological Society

State Chapter, American College of Radiology

Charleston Angio Club

**EDITORIAL POSITIONS**

***Book Reviews***

Selby JB, Genitourinary Radiology by Kucher and Lauton. Applied Radiology

Selby JB. Diagnostic Techniques in Urology by O. Reilly, George, and Weiss

***Reviewer***

American Journal of Roentgenology 2004-present

Scientific Abstract Grader, Cardiovascular Section, RSNA 2005

Primary Reviewer, MUSC IRB (Institutional Board for Human Research) 2007-2010

***Editor***

Managing Editor, Cardiovascular Section, Emedicine.com 2004-present

## **EXTRAMURAL GRANTS/AWARDS**

Selby, JB, Primary Investigator, IRB HR#8001, Prospective Trial of Central Tunneled Catheters vs. Peripheral Tunneled Catheters in Long-Term Venous Access, November 3, 1998.

Selby, JB, Primary Investigator, IRB HR#8241, Percutaneous Transcatheter Embolization of Uterine Fibroids, May 1999.

Selby, JB. Co-Investigator, World Medical Talent Endovascular Stent Graft Low Profile System. Renan Uflacker, MD, Primary Investigator.

CT Clinical Collaboration Program with Marconi - Thomas L. Pope, Jr., MD (PI), William Conway, MD, PhD (Co-PI), J. Bayne Selby, Jr., MD (Co-PI), February, 2001 - January, 2002 (\$50,000)

## **AWARDS, HONORS, MEMBERSHIP IN HONORARY SOCIETIES**

President's Award, American Roentgen Ray Society 1987

Chief Resident in Radiology 1986-1987

Golden Apple Teaching Award 2000

Best Doctors in America Award 2001-2002

South Carolina Alpha Chapter of Alpha Omega Alpha

Passed Maintenance of Certification Board Exam, Tampa, Florida, July 15, 2005. Certified by the American Board of Radiology in Diagnostic Radiology, Certificate #30787, issued December 31, 2005 and valid for ten years.

Invited Visiting Professor, University of Frankfurt, Germany, June 1-June30, 2006.

Best Doctors in America Award 2007-2008

## **ACADEMIC COMMITTEE ACTIVITIES**

### ***University***

Member, MUSChealth.com Web Site Advisory Committee 1999

Member, Clinical Information Steering Committee 1998-present

Member, OACIS Expansion Project Steering Committee 1998-present

Advisory Board, MUSC Progress Notes	2002-present
Member, Academic Partnership Committee with VA Hospital	2002-present
Member, Hospital Replacement Steering Committee	2002-present
Member, Hospital Replacement Core Team	2002-present
Member, Capital Allocation Committee	2005-present
Member, Heart & Vascular Center Steering Committee	2004-present
Member, Chairman, MUSC Web Governance Information Council (WGIC)	2005-present
Member, MUSC IRB Committee	2007-present

***College***

Member, Clinical Chairs Committee	2001-2004
-----------------------------------	-----------

***Department***

Member, Medicare Compliance Committee,	1998-present
Member, Y2K Committee	1999-2000
Radiology Curriculum Committee, Residency Selection Committee	1999-2004
Departmental Quality Assurance Committee	2001-present
Breakfast Cabinet Committee	2002-2004
Co-Director, Vascular/Interventional Radiology	1997-present

***National***

SCARD (Manhattan Project Committee)	2003-2004
SIR Subcommittee to Define Complications and Success	1999-present
SIR HI-IQ Advisory Group	2005
American College of Radiology Appropriateness Criteria Expert Panel	2005

**MAJOR TEACHING RESPONSIBILITIES (Current):**

***Radiology Residents***

Angiography Conferences (monthly)

40# contact hours per month for daily, informal teaching

Director of Cardiac Rotation (nuclear medicine, CT, MR, Peds)

***Departmental Fellows (Angiography)***

160 hours/ month

1920 total hours: (fiscal year)

***Medical students (Mentoring)***

Andrew Del Gazio – Cardiac Scoring (6/02-8/02)

Andrew Brock – Cardiac Scoring (7/01-6/02)

Frank Armocida – Cardiac Scoring (7/01-6/02)

Edmund Richmond – Uterine Artery Embolization (7/02-6/02)

4 hours per month

48 total hours

***Medical Students (other)***

Two Medical students on rotation in interventional angiography  
(4 weeks each with 3 nights of call)

Lectures delivered to medical students every two months.

**Major Clinical Interests and Responsibilities:**

Renovascular hypertension

Renal artery angioplasty and stenting

Venous access

CT of coronary artery calcium

3D vascular reconstruction

Cardiac CT

## **Media Projects:**

Interventional Radiology of Trauma. Interventional Radiography Videotape Series 9900; EduMed Corporation, Lakeville, MN. Copyright 1996-97.

## **Research Projects – Medical University of South Carolina:**

1. Selby JB, Adams D, Wallace M, Prospective Trial of Central Tunneled Catheters vs Peripheral Tunneled Catheters in Long-Term Venous Access. IRB HR#8001, November, 1998
2. Selby JB, Uflacker R, Corvita Iliac Artery covered Stent Trial for Iliac Occlusive Disease.
3. Uflacker R, Selby JB, Robison J, Brothers T, Elliott B. Thrombus removal utilizing the Amplatz device and catheter directed thrombolysis in lower extremity peripheral arteries and arterial grafts. "ATD TRAC". Sponsored by Microvena Corporation, White Bear Lake, MN, 1997. Completed in December 1998. Co-Investigator, World Medical Talent Endovascular Stent Graft Low Profile System. R. Uflacker, MD, Primary Investigator.
4. Uflacker R, Selby JB, Robison J, Brothers T, Elliott B. An Investigation of the Talent Endoluminal Stent-Graft System for the Treatment of Sub-Renal Abdominal Aortic Aneurysms in Patients Who are NOT Candidates for Standard Surgical Intervention. Phase II. Sponsored by World Medical Manufacturing Corporation, Sunrise, FL, 1997-1999. Completed.
5. Uflacker R, Selby JB, Robison J, Brothers T, Elliott B. An Investigation of the Talent LPS Low Profile Endoluminal Stent-Graft System for the Treatment of Sub-Renal Abdominal Aortic Aneurysms in Patients Who are Candidates for Standard Surgical Intervention. Phase III. Sponsored by World Medical Manufacturing Corporation, Sunrise, FL, 1997-1999. Completed.
6. Uflacker R, Selby JB, Robison J, Brothers T, Elliott B. An Investigation of the Talent Endoluminal Spring Stent-Graft System for the Treatment of the Sub-Renal Abdominal Aortic Aneurysms in Patients who are Candidates for Standard Surgical Intervention (Low Risk Stock Device Study). Phase III. HR#28168. Sponsored by World Medical Manufacturing Corporation, Sunrise, FL, 1997-2000. Completed.
7. Uflacker R, Selby JB. A Multicenter Clinical Evaluation of the Cordis Covered Nitinol Stent for Patients with Malignancies Affecting the Biliary Tree. Protocol No. P98-5401. Sponsored by Cordis Corporation. Warren, NJ, 1999-2000. Completed. Selby JB, Soper D, Tate S, Uflacker R, Percutaneous Transcatheter Embolization of Uterine Fibroids. IRB HR#8241, 2000. Completed.
8. Uflacker R, Selby JB. Study of the Gore biliary endoprosthesis for relief of biliary obstruction caused by malignant biliary strictures. Protocol No. BIL-99-01. Sponsored by W.L. Gore & Associates, Inc. Flagstaff, AZ, 1999-2002. (In progress) Stent approved for commercial use on December 13, 2002. Accrual Closed. Follow-up of patients only.
9. Selby JB, Uflacker R. The uterine artery embolization utilization fibroid registry outcomes database. Protocol No. HR10066. Non-sponsored study being conducted with in conjunction with the cardiovascular and interventional radiology research and education foundation and the

Society of Cardiovascular and Interventional Radiology in cooperation with the Duke Clinical Research Institute, March 18, 2002. (In progress)

10. Uflacker R, Selby JB. A Prospective, Nonrandomized Evaluation of the Vascular Architects aSpire covered stent for the Treatment of Dysfunctional Polytetrafluoroethylene Hemodialysis Grafts. Sponsored by Vascular Architects, Inc., Protocol #US-VAI-002 (up to \$32,000 May, 2002-May, 2003). (In progress)

11. Roberts D (Investigator), Selby JB (Co-Investigator), Andersen D (Consultant). 3D Computed Axial Tomographic Analysis of Deep-water Microbilities from Lake Joyce, Antarctica as an Analog for Life on Mars. SC Space Grant Consortium Geology, College of Charleston, SC. (\$7,880) Feb, 2002 – present.

12. Carter T, Selby JB (Co-Investigator). Warfarin - Aspirin Symptomatic Intracranial Disease (WASID) study. NIH sponsored with Emory University is the base. MUSC (Clinical Trial Site).

13. MDCT CCS (Multi-Detector CT Coronary Calcium Scoring) Project, sponsored by Cleveland Clinic Foundation.

## **LECTURES AND PRESENTATIONS**

1. Selby B, et al. Ultrasound of the Menisci of the Knee, Presented at Association of University Radiologists Meeting May 1985, Nashville, TN.

2. Selby B, et al. The Effect of Metrizamide on CSF Chemistries: Small Amounts of Metrizamide have no Effect on Routine CSF Chemistries. Presented at Association of University Radiologists meeting, May 4-9, 1986, Hartford, CT.

3. Selby B, et al. High Resolution, Real Time Ultrasonography of Artificially Produced Meniscal Lesions in Human Cadaveric Knee Specimens. President's Award paper. Presented at American Roentgen Ray Society meeting April 1987, San Francisco, CA

4. Selby B, Tegmeyer CJ, Amodeo C, Bittner L, Autk NO. Insertion of Subclavian Hemodialysis Catheters in Difficult Cases: An Interventional Radiographic Solution. Presented at American Roentgen Ray Society Meeting, May 8-13, 1988, San Francisco, CA

5. Amodeo L, Abbitt P, Selby B, et al. Duplex Doppler Ultrasound Image (DDU) in the Evaluation of Kidney Transplant Complications. Presented at the American Society of Hypertension 1988 Annual Meeting.

6. Selby JB. Fallopian Tube Catheterization and Recannalization. Presented at the Virginia Society of Radiologic Technologists Meeting, April 12-15, 1989, Roanoke, Virginia.

7. Selby JB. Radiology Workshop - Special Procedures. Presented at the Seventh Annual Refresher Course for Family Physicians, May 2-5, 1989. Charlottesville, Virginia.

8. Selby JB. Current Techniques in Peripheral Vascular Interventional Radiology. Presented at Keats Radiological Society, May 26-28, 1989. Charlottesville, Virginia.
9. Selby JB. Current Techniques in Peripheral Vascular Disease. Presented at Department of Surgery Grand Rounds, University of Virginia, July 8, 1989, Charlottesville, Virginia.
10. Kersh CR, Constable WC, Tegmeyer CJ, Spaulding CA, Hahn SS, Selby JB, Jones RS. Combined Intraluminal Brachytherapy and Percutaneous Transhepatic Drainage in the Management of Malignant Biliary Obstruction. Presented at the Radiological Society of North American Meeting, November 26-30, 1989, Chicago, Illinois.
11. Selby JB, Bittner GM, Tegmeyer CJ. Experience with New Retrieval Forceps for Foreign Body Removal in the Vascular and Urinary Systems. Presented at the Radiological Society of North America Meeting, November 26-30, 1989, Chicago, Illinois.
12. Selby JB, Tegmeyer CJ. Inferior Vena Cava Filters: State of the Art 1990. Presented at the Virginia Chapter of the American College of Radiology Meeting May 3-5, 1990.
13. Kersh CR, Tegmeyer CJ, Constable WC, Selby JB. Combined Percutaneous Transhepatic Drainage and Intraluminal Ir-192 Brachytherapy in the Management of Primary Extrahepatic Biliary Carcinomas. Presented at the Virginia Chapter American College of Radiology Meeting, May 3-5 1990.
14. Selby, JB, Shogry MEC, Tegmeyer CJ. Thick Walled Thoracic Aorta with no Other Evidence of Dissection: Long-Term Follow-Up. Presented at the American Roentgen Ray Society Meeting, May 13-18, 1990, Washington D.C.
15. Selby JB. Thrombolytic therapy. Presented at the Virginia Society of Radiologic Technologists Meeting, September 13-15, 1990, Charlottesville, Virginia.
16. Selby JB, Pruett TL, Westervelt FB, Tegmeyer CJ. Treatment of Hemodialysis Fistula Pseudoaneurysms with Detachable Balloons: Technique and Preliminary Results. Presented at the Society of Cardiovascular and Interventional Radiology Annual Meeting, February 16-21, 1991.
17. Selby JB, Tegmeyer CJ, Eaton B. Use of Wallstent Endoprosthesis for Palliation of Malignant Biliary Obstruction. Presented at the American Roentgen Ray Society Meeting May 5-10, 1991, Boston, Massachusetts.
18. Selby JB, Becker DM. Indications, Safety and Efficacy of Inferior Vena Cava Filters. Presented at Department of Medicine Grand Rounds, University of Virginia, September 5, 1991, Charlottesville, Virginia.
19. Selby JB. Therapeutic Embolization: Standard Techniques and New Developments. Presented at the Keats Radiological Society, May 24-26, 1991, Charlottesville, Virginia.
20. Selby JB, Matsumoto AH, Pediatric Interventional Radiology. Presented at Pediatric Grand Rounds, University of Virginia, November 7, 1991; Charlottesville, Virginia.

21. Selby JB, Spraggins TA, Hartwell GD, Matsumoto AH, Tegmeyer CJ. Three Dimensional MR Angiography of the Renal Arteries: Progress and Problems in Imaging of Hypertensive Patients. Presented at the Radiological Society of North America Meeting, December 1-6,1991, Chicago, Illinois.
22. Selby JB, Tegmeyer CJ, Eaton B. Simon Nitinol Inferior Vena Cava Filters: Single Center Experience. Presented at the Radiological Society of North America Meeting, December 1-6, 1991; Chicago, Illinois.
23. Selby JB. Management of Dialysis Access Grafts. Presented at the Chesapeake Interventional Radiology Society Meeting, January 15, 1992, Arlington, Virginia.
24. Selby JB. Interventional Radiologic Treatment of Benign and Malignant Biliary Disease. Presented at Department of Surgery Grand Rounds, University of Virginia, January 4, 1992.
25. Selby JB. Thrombolytic Therapy. Presented at Department of Family Practice Grand Rounds, University of Virginia, March 27, 1992.
26. Selby JB, Hartwell GD, Matsumoto AH, Tribble CG, Kron IL, and Tegmeyer CJ. Angioplasty Above the Aortic Arch: Indications; Techniques and Results. Presented at the American Roentgen Ray Society Meeting, May 10-15, 1992, Orlando, Florida.
27. Selby JB. Percutaneous Insertion of Biliary Metal Stents. Presented at the Duke GI Endoscopy Course, July 23-24, 1992, Durham, North Carolina.
28. Selby JB. Minimally Invasive Therapy: The Future of Medicine. Presented at Providence 2000 Leadership Services, 1993, Everett, Washington.
29. Selby JB, Matsumoto AH, Tegmeyer CJ. Thrombolytic Therapy in the Arterial System. Presented at Practical Interventional Radiology Course, April 1-3,1993, Charlottesville, Virginia.
30. Selby JB. Angioplasty above the Arch. Presented at Northwest Chapter of ARNA, March 11, 1993, Seattle, Washington.
31. Selby JB. Angioplasty Above the Arch. Instructional Courses Program at the American Roentgen Ray Society Meeting, May 1993, San Francisco, California.
32. Selby JB. Interventional Radiology and Hemodialysis Access. Presented to Puget Sound Chapter of Nephrology Nurses Association, September 23, 1993, Seattle, Washington.
33. Selby JB. Interventional Radiology of Dialysis Access. Presented at Vascular Rounds, December 14, 1993, Tacoma General Hospital.
34. Selby JB. Renal Angioplasty and/or TIPS Procedures. Presented at 11th Annual Mosaic of Critical Care Topics. January 21, 1994, Everett, Washington.
35. Selby JB. The Effects of Health Care Reform on the Management of the Patient with Peripheral Vascular Disease. Presented at Current Topics in Surgery and Interventional Radiology: Vascular Diagnosis and Therapy, September 23-24,1994.

36. Selby JB. Direction of New Interventional Cardiovascular Radiology. Presented at 7th Annual Update on Cardiac Care, April 26, 1995, Everett, Washington.
37. Selby JB. Interventional Radiology of Trauma. Presented at the Society of Cardiovascular and Interventional Radiology Annual Meeting, March 1996, Seattle, Washington.
38. Selby JB. Peripheral Venous Access: Techniques, Devices, and Management of Thrombotic Complications. Presented at Current Topics in Surgery and Interventional Radiology, October 6-7, 1995, Charlottesville, Virginia.
39. Selby JB. Impact of Healthcare Reform on Diagnosis and Treatment of Vascular Disease. Presented at Vascular Disease: State of the Art 1995, November 4, 1995, Falls Church, Virginia.
40. Selby JB. Interventional Radiology of Trauma. Plenary Session. SCVIR Annual Meeting, March 2-7, 1996, Seattle, Washington.
41. Selby JB. Capitation and Its Effect on the Care of the Patient with Peripheral Vascular Disease. Presented at Current Topics in Surgery and Interventional Radiology, September 27-28, 1996, Charlottesville, Virginia.
42. Selby JB and Nemchek A. Database Design for Interventional Radiology: Strategies for Implementation. Refresher course at Radiologic Society of North America Annual Meeting, November 25 - December 1, 1996, Chicago, Illinois.
43. Matsumoto AH, Angle JF, Selby JB, Gesner DE, Tegmeyer CJ. Percutaneous Transluminal Angioplasty and Stenting of the Brachiocephalic Arteries: Technical and Long-Term Clinical Results. SCVIR Annual Meeting, March 8-13, 1997, Washington, DC.
44. Uflacker R, Selby JB, Horn H, Philips J. Intravascular ultrasound assessment of thoracic aortic trauma. Presented at the CIRSE 98. Annual Meeting and Postgraduate Course Cardiovascular and Interventional Radiological Society of Europe. Venice, Italy, September 27 – October 1, 1998. *Cardiovasc Intervent Radiol* 1998; 21:S144.
45. Uflacker R, Selby JB, Horn H, Philips J. Experience with two types of stent graft devices for the aorta and other vessels. Presented at the CIRSE 98. Annual Meeting and Postgraduate Course Cardiovascular and Interventional Radiological Society of Europe. Venice, Italy, September 27 – October 1, 1998. *Cardiovasc Intervent Radiol* 1998; 21:S144.
46. Uflacker R, Selby JB, Horn H, Philips J. Intraluminal ultrasound assessment of biliary diseases. Presented at the CIRSE 98. Annual Meeting and Postgraduate Course Cardiovascular and Interventional Radiological Society of Europe. Venice, Italy, September 27 – October 1, 1998. *Cardiovasc Intervent Radiol* 1998; 21:S144.
47. Horn J, Uflacker R, Selby JB. The Endotex stent-graft: Experimental and Preliminary human experience. Scientific Exhibit. Presented at the RSNA 98, 84th Scientific Assembly and Annual Meeting. November 29- December 4, 1998. Chicago, IL. *Radiology* 1998; 209:S 562.

48. Horn J, Uflacker R, Selby JB, Philips J. Intravascular Ultrasound Assessment of Thoracic Aortic Trauma. Scientific Exhibit. Presented at the RSNA 98, 84th Scientific Assembly and Annual Meeting. November 29- December 4, 1998. Chicago, IL. Radiology 1998;209:S 562.
49. Horn JD, Uflacker R, Selby JB. The Endotex stent-graft: preliminary human experience. Presented CIRSE 99. Prague, Czech Republic. September 26-30, 1999. Abstract published in Cardiovasc Intervent Radiol 199: 22:S98.
50. Uflacker R, Robison J, Horn JD, Selby JB. Treatment of AAA with the Talent device. Phas II High-risk, USA trial. Six-month interim report. Presented CIRSE 99. Prague, Czech Republic. September 26-30, 1999. Abstract published in Cardiovasc Intervent Radiol 199: 22:S98.
51. Uflacker R, Robison J, Horn JD, Selby JB. Treatment of AAA with the Talent device. Phas I High-risk, USA trial. Six-month interim report. Presented CIRSE 99. Prague, Czech Republic. September 26-30, 1999. Abstract published in Cardiovasc Intervent Radiol 199: 22:S98.
52. Uflacker R, Robison J, Horn JD, Selby JB. Treatment of AAA with the Talent device. Phas II Low-risk, USA trial. Six-month interim report. Presented CIRSE 99. Prague, Czech Republic. September 26-30, 1999. Abstract published in Cardiovasc Intervent Radiol 199: 22:S98.
53. Uflacker R, Robison J, Horn JD, Selby JB. Treatment of AAA with the Talent device. Phas I Low-risk, USA trial. Six-month interim report. Presented CIRSE 99. Prague, Czech Republic. September 26-30, 1999. Abstract published in Cardiovasc Intervent Radiol 199: 22:S98.
54. Horn JD, Uflacker R, Selby JB, Rajagopalan JBPR. Treatment of thrombosed dialysis access grafts: Final report of the comparison of Amplatz thrombectomy device and surgical thrombectomy. Accepted to be presented at the RSNA 99, 85th Scientific Assembly and Annual Meeting. Chicago, November 28 - December 3, 1999. Abstract published in Radiology 1999;213(P):266.
55. Horn JD, Uflacker R, Selby JB. Intraluminal ultrasound assessment of biliary disease. Accepted for poster presentation at the RSNA 1999, 85th Scientific Assembly and Annual Meeting. Chicago, November 28 - December 3, 1999. Abstract published in Radiology 1999;213(P):563.
56. Uflacker R, Robison J, Selby JB. Treatment of AAA with the Talent Stent-graft device. Phase II high risk USA trial. Six-month interim report. Presented at the 25th Annual Scientific Meeting, SCVIR 2000, March 25-30, 2000, San Diego, CA. Abstract published in JVIR 2000;1:194.
57. Uflacker R, Robison J, Selby JB. Treatment of AAA with the talent stent-graft device. Phase I high-risk USA trial. One-year interim report. Poster presented at the SCVIR 2000 meeting. San Diego, March 25-30, 2000. Abstract published in JVIR 2000;1:293.
58. Uflacker R, Robison J, Selby JB. Treatment of AAA with the Talent stent-graft device. Phase II low-risk USA trial. Interim report. Poster presented at the SCVIR 2000 meeting. San Diego, March 25-30, 2000. Abstract published in JVIR 2000;1:292.

59. Uflacker R, Robison J, Selby JB. Abdominal aortic aneurysm repair with the Talent stent-graft system: interim report of phase II, low-risk patients, USA trial. Presented at the CIRSE 2000. Maastricht, The Netherlands. Sep 10-14, 2000. Abstract published in *Cardiovasc Intervent Radiol* 2000;23:S110.
60. Uflacker R, Selby JB. Splenic artery steal syndrome as a cause of hepatic hypoperfusion after liver transplantation: Interventional management. Presented at the CIRSE 2000. Maastricht, The Netherlands. Sep 10-14, 2000. Abstract published in *Cardiovasc Intervent Radiol* 2000; 23:S91.
61. Uflacker R, Perini RF, Cunningham JT, Adams DB, Selby JB. Management of isolated right segmental hepatic duct injury following laparoscopic cholecystectomy. Presented at the 51st Annual Meeting and Postgraduate Course, American Association for the Study of Liver Diseases (AASLD) 2000. Dallas, October 27-31, 2000. Abstract published in *Hepatology* 2000; 32:508A.
62. Uflacker R, Robison J, Selby JB. Repair of Abdominal Aortic Aneurysm with the Talent system in a low risk population. Interim report of US trial. Presented at the SCVIR 2001, 26th Annual Scientific meeting. San Antonio, Texas, March 3-8, 2001. Abstract published in *JVIR* 2001; 12:S20.

## **Course Director/Moderator**

1. Selby JB and Matsumoto AH, Co-Directors. Practical Interventional Radiology, April 1-3, 1993, Charlottesville, Virginia.
2. Selby JB, Moderator. Current Topics on Surgery and Interventional Radiology, September 27-28, 1996, Charlottesville, Virginia.
3. Selby JB, Director, Interventional Radiology Practice Building: Special SCVIR Symposium, SCVIR Annual Meeting, March 8-13, 1997, Washington, DC
4. Selby JB, Session Organizer. From .edu to .com. eHealthcareworld Annual Meeting, New York, New York, December 4-6, 2000.
5. Selby JB, Moderator. Thoracic Interventions, 29th Annual Scientific Meeting of the SIR, Phoenix, AZ. March 25-30, 2004.
6. Selby JB, Coordinator/Moderator. "Cardiac CT: Dawn of the New Era." 29th Annual Scientific Meeting of the SIR, Phoenix, AZ. March 25-30, 2004.
7. Selby JB, Program Director. "Interventional Radiology: The Ever Changing Society". Southeastern Angiographic Society Meeting, Oct. 20-23, The Greenbrier, White Sulphur Springs, WV
8. Selby JB, Manhattan Project for Cardiac Imaging Visiting Fellowships 2004, Medical University of South Carolina, Charleston, SC.
9. Selby JB and Schoepf UJ, Co-Directors. Charleston Hands on Course for 64 Slice Cardiovascular CT (6 times per year), Charleston, SC.
10. Selby JB and Schoepf UJ, Co-Directors Medical Imaging Visiting Fellowships, MUSC, 2005.
11. Selby JB, Moderator. General Cardiac Diagnosis Poster Session, RSNA, Chicago, Illinois, November 30, 2005.
12. Selby JB, Moderator. Coronary Arteriography Scientific Paper Session, RSNA, Chicago, Illinois, December 2, 2005.
13. Selby JB. November 29 – December 2, 2005, Presided at CT: General Cardiac Diagnosis Poster Session, RSNA 91st Scientific Assembly and Annual Meeting, Chicago, Illinois.
14. Selby JB, Program Director. March 17 -19, 2006. South Carolina Radiologic Society Meeting, Charleston, SC.

15. March 30 - April 4, 2006. SIR Annual Meeting, Toronto, Canada. Planned and organized Plenary session on "Cardiac/Vascular Imaging Plenary Session". Was ill for actual session, so had substitute for that portion. 8 hours committed to planning.

16. March 30 - April 4, 2006. SIR Annual Meeting, Toronto, Canada. Planning and organizing for Coronary and Cardiac Imaging Workshop. 2 hours.

17. October 12, 2006. Eastern Radiological Society Meeting, Williamsburg, Virginia. Moderator for Thursday, October 12, 2006 presentations.

18. November 29, 2006. RSNA (Radiological Society of North America) 2006, Chicago, Illinois. Presiding Officer of the Cardiac (MR) Scientific Paper Session.

19. November 29, 2006. RSNA (Radiological Society of North America) 2006, Chicago, Illinois. Presiding Officer of the Cardiac (CT) Scientific Paper Session.

20. March 1, 2008. The Sanctuary of Endovascular Therapy, Kiawah Island, South Carolina. Moderator for Panel Discussion

## **Workshops**

1. Selby JB. SCVIR HI-IQ System (Hands-on). SCVIR Annual Meeting, Washington, DC, March 8-13, 1997.

2. Selby JB. Coordinator. SCVIR HI-IQ System (Hands-on). SCVIR Annual Meeting, San Francisco, California, February 28-March 5, 1998.

3. Selby JB. Coding and Billing. SCVIR Annual Meeting, Orlando, Florida, March 20-25, 1999.
