| BHS                     | Health Related Professions PDC               |
| BMB                     | Biochemistry & Molecular Biology             |
| BMTRY                   | Biostatistics, Bioinformatics & Epidemiology |
| CB                      | Cytology and Biosciences                     |
| CELL                    | Cell Biology & Anatomy                       |
| CLNDM                   | Clinical Dental Practice                     |
| CLS                     | Clinical Lab Science                         |
| CSD                     | Communication Sciences & Disorders           |
| DERM                    | Dermatology                                  |
| ECT                     | Extracorporeal Circulation Technology        |
| EMED                    | Emergency Medicine                           |
| ENDO                    | Endodontics                                  |
| FAMMD                   | Family Medicine                              |
| FXPRO                   | Fixed Prosthodontics                         |
| GENBS                   | General Basic Science                        |
| GENDT                   | General Dentistry                            |
| HAP                     | Health Administration & Policy               |
| INTDS                   | Interdisciplinary                            |
| LABMD                   | Laboratory Medicine                          |
| MATSC                   | Materials Science                            |
| MBIM                    | Microbiology & Immunology                    |
| MCBP                    | Molecular & Cellular Biology & Pathobiology  |
| MDCOR                   | Doctoring Curriculum                         |
| MED                     | Medicine                                     |
| MHS                     | Master in Health Sciences                    |
| NEUR                    | Neurology                                    |
| NRPHD                   | Nursing Science, Ph.D. in                    |
| NSURG                   | Neurosurgery                                 |
| NURSM                   | Nursing Graduate                             |
| NURSU                   | Nursing Undergraduate                        |
| OBGYN                   | Obstetrics-Gynecology                        |
| OMFS                    | Oral & Maxillofacial Surgery                 |
| OPHTH                   | Ophthalmology                                |
| OSURG                   | Orthopedic Surgery                           |

|       |   |
|-------|---|
| OT    | Occupational Therapy                                      |
| OTOL  | Otolaryngology  |
| PA    | Physician's Assistant                                     |
| PATH  | Pathology & Lab Medicine                                  |
| PCOL  | Cell & Molecular Pharmacology & Experimental Therapeutics |
| PEDOR | Pediatric Dentistry Orthodontics                          |
| PEDS  | Pediatrics  |
| PHAPR | Dept of Pharmacy Practice                                 |
| PHMPR | Pharmacy Curriculum, Doctor of                            |
| PHMSC | Pharmaceutical Sciences - Graduate Studies                |
| PHRSC | Dept of Pharmaceutical Sciences                           |
| PHYSO | Physiology  |
| PMR   | Physical Medicine & Rehabilitation                        |
| PROS  | Prosthodontics  |
| PSYCH | Psychiatry & Behavioral Sciences                          |
| PT    | Physical Therapy  |
| RAD   | Radiology   |
