13th Annual Educational Symposium "Weathering the Changing Climate of Alzheimer's Disease"

Friday, August 12, 2005
Seawell's Conference Center
1125 Rosewood Drive
Columbia, South Carolina
8:30am - 3:15pm

Keynote Speaker

Jolene Brackett, B.A. established *Enhanced Moments* to help guide people through the Alzheimer's journey. She is author of *Creating Moments of Joy* and is a consultant for the development of memory care facilities.

Presenters

Linda Cello, B.S. is the Palmetto Chapter's Regional Coordinator in the Coastal Region Office. She provides Alzheimer's training, support, and education to families, caregivers, and health professionals.

Deborah A. Clark, M.A., LPCI, Betty Rabon, Keith Ringer and Barbara Specter are members of the "sandwich generation" who provide care for parents suffering from Alzheimer's Disease.

Dennis Daye, Betty Dent, and Bill Smith make up the caregiver panel. They have provided many years of care for their spouses who suffer from Alzheimer's disease.

Jennifaye V. Greene, PT, MS, NCS is a physical therapist with 15 years of experience in neurorehabilitation.

Victor Hirth, M.D. is the Medical Director of Palmetto Richland Senior Primary Care Practice. He is the Associate Director of Palmetto Richland Geriatric Fellowship Program and an assistant professor in the Geriatrics Division of the University of South Carolina School of Medicine.

Amy M Landers, Esq. is an attorney at law experienced in all aspects of elder law, including estate and long term care planning. She works at the Clingman Law Firm, LLC.

Steve Parrott, BS will discuss safety in the home. Steve is owner and Vice President of RetireEASE Senior Services.

Marsha Ward, LMSW is a social worker with Palmetto Health Richland. She also heads the Caregiver Coalition of the Midlands.

Ivy Yancey, LMSW is a social worker with Lutheran Hospice. Ivy has spent the past 3 years working for Hospice as both a professional and as a volunteer. She has completed master's level studies of dementia and end of life care.

This symposium brings together family caregivers, health care professionals, aging network personnel, & educators for the purpose of supplying information, giving & receiving mutual support, & for sharing management & coping skills with one another.

Objectives

Upon completion of the program, participants will:

- Discuss the importance of Alzheimer's disease in health care.
- Describe the reasons why early diagnosis of Alzheimer's disease is important.
- Identify the legal and financial issues associated with Alzheimer's disease and related disorders.
- Apply knowledge gained to assist persons affected by Alzheimer's and their caregivers.
- Increase knowledge of various community resources.
