Join us on the aircraft carrier USS Yorktown overlooking beautiful Charleston Harbor for an evening of dinner and music. Savor cocktails on the flight deck while experiencing some of the most incredible war planes in the history of aviation and a spectacular view of the historic Charleston peninsula and Arthur Ravenel Bridge, the longest cable stay bridge in North America. Tour the 900 foot, 27,000 ton modern marvel of World War II and explore the new onboard interactive Congressional Medal of Honor Museum. Then settle in for a delicious feast while enjoying the big band swing of The Nancy Clayton Band.

**Sunday, October 26, 2008**

The Patriots Point Naval & Maritime Museum is located in Charleston Harbor. To learn more about the USS Yorktown and Patriots Point visit [www.patriotspoint.org](http://www.patriotspoint.org).
